AUTUMN INTERNATIONALS

Come and see how the home teams square up to our Southern Hemisphere visitors for the last time before next year's World Cup.

Get in early so you don't have to scrum at the bar!

Burgers and pasties on our rugby menu

WINTER WARMERS

Our deliciously homemade mulled wine and cider coming very soon.

Very excited about having **The Lansdown Otter Ale** on our bar by the end of November.

It is a chocolate malted ale combined with spicy and slightly bitter hops. Great on those cooler winter days
